ONTARIO RACING COMMISSION BREAKING RULE -- (a) When any horses break from their gait in trotting or pacing, their drivers shall at once, where clearance exists, take such horses to the outside and pull it to its gait.

(b) The following shall be considered violations of Section 12 (a): (1) Failure to properly attempt to pull the horse to its gait.

(2) Failure to take to the outside where clearance exists. (3) Failure to lose ground by the break.

(c) If there has been no failure on the part of the driver in complying with 12 (b), (1), (2) and (3), the horse shall not be set back unless a contending horses on his gait is lapped on the hind quarter of the breaking horse at the finish.

(d) The Judges may set any horse back one or more places if in their judgement any of the violations have been committed, and the driver may be punished.

DEFINITION OF THE FAIR START POLE -- A pole erected at a point 200 feet before the starting pole. The Fair Start Pole shall be yellow in color and shall protrude at least two feet above the inner rail.

STARTING RULE -- If a horse has reached the Fair Start Pole by the time the mobile gate has reached the starting point, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is ON or OFF stride at that precise moment. A horse shall be considered not to have had a fair start and the starter may order a recall where the horse:

(a) scores ahead of the starting gate. (b) is interfered with before the word GO is given.

(c) to the knowledge of the starter, has broken equipment. (d) falls before the word GO is given.

When a horse has not reached the fair start pole when the word GO is given, the Judges shall order the offending horse or horses disqualified. They shall immediately cause the inquiry or objection sign to be displayed on the infield board.

(RECALLS -- Repeating the entire starting procedures were once considered the answer, but many horsemen and racing officials feel a recall is unfair to the horses that remained in position and on stride. The current policy and regulations are designed to be as fair as possible to all bettors and all starters).

WINDSOR RACE ANALYSIS - FEBRUARY 3, 2010

Information published herein is unofficial and not to be regarded as encouragement to wager or violate laws. Should errors or inaccuracies occur, they must be regarded as inadvertent and the publisher accepts no responsibility for loss or inconvenience attributed to them.

FIRST RACE -- (Selections 2-1-3) ~ STAYOUTOFMYAFFAIR has shown improvement since the New Year, with her veteran driver likely to surpass \$25,000,000 in career purse earnings this spring, with 5,041 wins to date. **MEMORABLE PLACE** has a rare inside draw, but will she take advantage of it, with off the pace efforts her strong suit. **NANCY TROSS** was never in her only local start, after 3 straight runner up finishes at Woodbine, in showing her inactivity the last 7 weeks.

SECOND RACE -- (Selections 6-1-3) ~ MY COWGIRL was a front end winner the last time she was in this easy, with her driver averaging 2 wins per program here in 2010 and dominating in purses earned. **KARENS PICK** fits this class before entries closed, with tonight's post a rare inside draw. **LARAS SWEET DREAM** followed dead cover on Saturday, had to go wide in the final quarter, in extending a 21 race winless streak dating back to August at Dresden.

THIRD RACE -- (Selections 1-4-6) ~ MIZ GRIZZ didn't figure to handle last week's 25 cent favorite, who romped by 7 1/2 lengths. **A BIT LIKE BRITT** had minimal success in her month at Woodbine, with her return to Windsor giving her a chance to end her 16 race winless streak as a 2 and 3 year old. **BRIGHTEST STAR** won 2 of 3 in her rookie season, with this New Jersey bred making her first start for her new connections.

FOURTH RACE -- (Selections 7-1-5) ~ MASTER CAN SIZZLE took a new mark in his first start in this stable last fall, equaled it on New Year's Eve, but has been an inconsistent quantity in his other attempts. **COLOMBE DREAM** has bounced around at various prices over the winter, with this the 6th track he's raced at in his last 7 starts. **VESTALS CROWN** was in complete control in matching last year's win total, with the inside 6 in here averaging 9 1/2 years in age.

FIFTH RACE -- (Selections 6-2-3-1) ~ GREYSTONE LIAM, winless in 23 starts dating back to last May, may actually fill the role of favorite, with her ability to get early position likely to serve her well. **HERE COMES THERAIN** should benefit from his only start in 6 weeks, with this just his 3rd start in over 3 months. **HARD OIL ALBERT** declined to be driven by Mark Pezzarello, with this gelding winless in 28 starts dating back to last April, with all 3 wins in 2009 coming in a 6 week spell late last winter. **KRITZER HANOVER** faced a much tougher group on Saturday and simply ran out of gas in the final quarter.

SIXTH RACE -- (Selections 5-7-1) ~ SHARPSHOOTINANNIE is 3-2-1-0 with her new trainer, with this field as evenly matched as any on tonight's card. **LOCK UPS GALLEY** didn't figure last week, but a late surge saw her miss a runner up finish by the slimmest of margins. **ASTREOS DELIGHT** usually picks up a cheque, with the dominant career earner of this group likely to continue her drought of post race photos.

SEVENTH RACE -- (Selections 7-6-1) ~ MISSILE T moved in for a scratch last Friday, may or may not have raced Sunday night, having won 3 of 5 to start the year. **MR SUPERSTAR** is mired in a 4 month winless streak, lengthy by his standards, with this the easier of the 2 divisions of this class. **NOCHILDLEFTBEHIND** was placed for racing inside consecutive pylons late in last week's mile, in a mile where he was pressured much of the way.

EIGHTH RACE -- (Selections 3-2-5-6) ~ WATTAFINE hasn't won since last summer, has been off almost a month, but look for him to be a factor late in the mile. **LASER LARRY** makes his 3rd start in Windsor's 2009-2010 top stable, with both trips seeing him move at the quarter pole. **BUZZ OF THE DAY** has raced well at this level in 2010 without winning, which may once again be the case. **WHITESAND DIABLO** is from a trotting stable 10-4-1-0 here this year, but this 6 year old will be tested in trying to remain perfect in 2010.

NINTH RACE -- (Selections 3-2-4-5) ~ BALTIC LANE was most impressive last week when he ran away from the field when he moved in the 2nd quarter. **S F SUPER SIZE** lost all chance leaving last start, with his trainer 9-2-1-2 here in 2010, respectable, but not by his standards. **TOLEDO SEELSTER** is another well traveled member of this stable, with the youngest of this group a possibility to take a new mark tonight. **SIERRAS IMAGE** finds a tougher than normal division of this claimer, as a possibility to pull a mild upset

GENERAL

Pari-mutuel wagering, photo finish, video patrol and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, a division of Agriculture Canada, the Honourable Gerry Ritz, Minister. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations issued by the Canadian Pari-Mutuel Agency.

All tickets should be held until the result of the race is declared official and prices are posted.

No minor under the age of 18 shall purchase or cash a ticket.

A claim that a wrong ticket has been issued must be made before the customer leaves the teller's window.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel Office of the Association within twenty-four hours of buying or cashing a valid ticket or voucher.

Customers are reminded that mutuel clerks are responsible for all short-ages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

REFUNDS

No ruling made by the Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

PHOTO FINISH

When PHOTO appears on the Result Board there will be a short delay in posting results to allow the Judges to inspect the photographic plate of the finish.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system.

Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

EXACTOR BETTING

An Exactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interests to finish, in the exact official order of finish, in the race on which the pool is operated. If the same betting interest finishes first and second (i.e. 1-1, 2-2) the exactor pay-out will be on those horses finishing first and third.

TRIACTOR BETTING

A Triactor bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the pool is operated.

TRIACTOR RULES

Triactor wagering shall not be permitted on overnight races where fewer than six (6) horses representing six (6) separate betting interests are programmed, and six (6) horses representing six (6) separate betting interests are programmed for stakes races and eliminations for stakes races.

Winning tickets are those selecting the first three separate betting interests in the exact official order of finish, e.g. 1-1A-6-4 pays 1-6-4.

- Winning Triactor tickets are determined in the following sequence:
 - a) 1 - 2 - 3 b) 1 - 2 - ALL c) 1 - ALL - ALL
 - d) REFUND.

SUPERFECTA BETTING

The Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first four horses representing different betting interests, to finish in the exact order of finish in the race on which the feature is operated.

EXAMPLES OF WINNING COMBINATIONS UNDER THE REGULATIONS

Order of Finish	Exactor	Triactor	Superfecta
1,2,3,4	1/2	1/2/3	1/2/3/4
If no tickets sold selecting the above combinations, then:			
1,2,3,4	1/all, or refund (if no 1/all bets)	1/2/all (if no 1/2/3 bets), or 1/all/all (if no 1/2/all bets), or refund (if no 1/all/all bets)	1/2/3/ all (if no 1/2/3/4 bets), or 1/2/all/all (if no 1/2/3/all bets), or 1/all/all/all (if no 1/2/all/all bets), or refund (if no 1/all/all/all bets)
Finishes involving entries and mutuel fields:			
1,1A,2,2B,3,4	1/2	1/2/3	1/2/3/4
1,2B, 1A,3,4	1/2	1/2/3	1/2/3/4

While every effort is made to avoid mistakes occurring in the makeup or printing of the program, Windsor Raceway assumes no liability to anyone for errors or omissions.

WIN-4 & PICK-3 BETTING

The WIN-4 and PICK-3 features are betting transactions in which a purchaser of a ticket undertakes to select the winner of four or three successive races on which the WIN-4 or PICK-3 is scheduled to be held.

The winning combination of horses constituting a winning ticket shall be those that finish first, in the official order of finish in each leg of the WIN-4 or PICK-3 feature.

Where no tickets have been sold coupling horses finishing first in the official order of finish of each leg of the WIN-4 or PICK-3 pool, winning tickets shall be determined in the following sequence:

- (a) the winners of all legs; (b) most winners;
- (c) most second place finishers or; (d) sequentially thereafter.

WIN-4 and PICK-3 SCRATCHES

(1) In the event a WIN-4 or PICK-3 ticket designates as a selection in any one or more of the races comprising the WIN-4 or PICK-3, a horse which is scratched, excused or determined by the Judges to be a non-starter in the race, the favorite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(s) occurred, will be substituted for the non-starting selection for all purposes.

(2) In the event that the money bet in the win pool for (2) two or more favorites is identical, the selection identified in the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Win-4 or PICK-3 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

THE DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

The Daily Double is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the 1st half of the Daily Double and all tickets in the 2nd half of the Daily Double not coupled with the declared official winner of the 1st half of the Daily Double are not winners and are not refunded no matter what the circumstances affect the running of the 2nd half of the Daily Double. The Daily Double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the Daily Double races.

Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has been held, holders of all Daily Double tickets on such horses, coupled with the winners of the 1st Daily Double race, shall participate in the Consolation Double pool.

In all cases when a horse has been excused by the Judges after wagering has started, but before the horses shall have actually started, all money wagered on the horse so excused shall be deducted from the pool and refunded.

If two or more horses in a race are coupled on the same mutuel ticket, there shall be no refunds unless all of the horses so coupled are excused before the actual start of the race.

In the case of a race being declared off or postponed to another day by the Judges after the wagering has begun, all money wagered in that race shall be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site **must** refund all tickets for that race.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.

LOST TICKETS

"Lost Tickets" originally sold at Windsor Raceway or teletheatre: please enquire at the Mutuel office at Windsor. Policy may be subject to change retroactively in the event regulatory bodies amend existing regulations.

ASSOCIATION PERCENTAGE AND TAXATION/LEVY

Commission Takeout: Although the greatest part of every dollar is returned to winning bettors, legal deductions are made. These are Provincial taxes, Federal Levy and the track commission as specified by the Criminal Code. All wagers have the following deductions: Provincial Tax of 0.5%, Provincial Levy 2% (plus an additional 2% for triactors), Federal Levy of 0.8% and a track commission of 18.1% for Win, Place and Show and 23% for all other wagers. The track commission is shared with the horsemen in the form of purses.

TICKET CANCELLATION POLICY

To protect the interest of patrons, Windsor Raceway has adopted a new Ticket Cancellation Policy, which requires proof of identification when cancelling tickets that exceed \$300.
